Sir,

The matter of extending financial benefits in the form of advance increments for possessing higher qualification of Ph.D. as accrued to Dr B. Sasikumar & others in compliance of Hon'ble Supreme Court order dated 23.8.2017 to the similarly situated scientific personnel of the Council has been under consideration in the Council.

2. It has now been decided with the approval of Competent Authority and concurrence of Internal Finance Division of the Council that the benefits, which accrued to petitioners who were party to the Court Case (CA No. 1102/2011, 1103/2011 & 11918/16) in Supreme Court, may be extended to the similarly situated scientific personnel of the Council. The Hon'ble Supreme Court of India in the above referred Civil Appeals (in the case of ICAR vs B. Sasikumar & others), vide order dated 23.8.2017 directed that the benefits be given to the respondents under the scheme circulated vide letter dated 27.2.1999.

3. Accordingly, the similarly situated Scientists of the Council are eligible for grant of advance increments as enunciated in Council's guidelines issued vide letter dated 27.2.1999 and directions issued in the matter of Dr B. Sasikumar & others vide Council's letter dated 2.8.2018 (copy enclosed). The benefits of 04 advance increments are effective from the respective date of their appointment as entry level Scientist and 02 advance increments from the date of assessment to the higher grade of Senior Scientist. The advance increments shall be treated as part of basic pay for all purposes. When the beneficiary earns next higher scale, pay fixation shall be as per established Rules. If any Scientist has already been awarded any advance increments under 1986 Scheme, the same shall be accounted for before giving fresh benefits under Scheme issued vide letter dated 27.2.1999 i.e if a scientist has been granted 3 advance increments as per the guidelines issued earlier, he shall be eligible for one more advance increment only.

4. In case of pensioners, if the extension of financial benefits leads to change in last pay drawn/revision in pension, a proposal indicating pension arrears liability may be sent to the Council for financial concurrence of IFD.

5. Keeping in view the guidelines issued vide letter dated 27.2.1999 and directions issued in the case of Dr Sasikumar vide letter dated 2.8.2018, it is directed that the representations of the Scientists as per the list may be examined at the Institute level and a suitable reply may be provided to them. If they are similarly situated the benefit may be extended accordingly. Furthermore, if any more representations in future are received in the matter, the same may be disposed of by the Institutes accordingly.

Yours faithfully,

(M.K. Jain)
